

Health Records Starter Guide

The Health Records application, formerly known as the CRISP Clinical Query Portal, is designed to make clinical data easily accessible and provides an improved overall user experience.

This new application provides an updated layout, search capabilities, and improves usability with fewer clicks to access patient information.

1 Additional Patient Demographic Information

To view additional patient demographic data click the “details” button to expand the section and show patient information such as address, telephone number and EID.

The screenshot displays the CRISP Health Records interface. At the top, there is a navigation bar with the CRISP logo and a 'Unified Landing Page™' label. The main navigation menu includes 'HOME', 'PDMP', 'PATIENT SNAPSHOT', 'DELEGATOR DASHBOARD', 'PROMPT', and 'HEALTH RECORDS'. A user profile for 'MATT M' is visible in the top right corner.

The patient information section is highlighted with an orange circle and the number '1'. It shows the following details:

- Testpatient, Medium
- Male | 05 Jul 1982 (38 Y)
- EID: 79680235
- Demographics button
- Name: Testpatient, Medium
- Address: 1944 OMAHA LN, HAGERSTOWN, MD, 21740
- DOB: 05 Jul 1982(38 Y)
- Gender: Male
- EID: 79680235
- Phone: (240) 5551111

Below the demographics is a 'RESULTS VIEWER' section with a 'Date Range: 1 Year' dropdown and a 'Print' button. The results are categorized into 'Laboratory', 'Radiology', and 'Transcriptions'. A search bar is present above a table of results.

2 Date Range Dropdown

The “Date Range” dropdown provides options ranging from one to 10 years. To view patient data within a desired time frame, click the dropdown menu to select the date range for which you’d like to view patient data.

The screenshot displays the CRISP Health Records interface. At the top, there is a navigation bar with the CRISP logo and a 'Unified Landing Page™' label. The navigation menu includes 'HOME', 'PDMP', 'PATIENT SNAPSHOT', 'DELEGATOR DASHBOARD', 'PROMPT', and 'HEALTH RECORDS'. The 'HEALTH RECORDS' tab is active. On the right side of the navigation bar, there is a 'User Guide' icon, a 'HELP' icon, and a user profile for 'MATT M' with a '(SIGN OUT)' link.

Below the navigation bar, the patient information is displayed: 'Testpatient, Medium', 'Male | 05 Jul 1982 (36 Y)', and 'EID 79680235'. A 'Details' link is visible on the right. The 'RESULTS VIEWER' section is highlighted with a red circle and the number '2'. It contains a 'Date Range: 1 Year' dropdown menu, which is open, showing options for 'All Dates', '1 Year', '2 Years', '5 years', and '10 years'. The '1 Year' option is selected. Below the dropdown, there are buttons for 'Biology' and 'Transcriptions'. A 'Print' icon is also present on the right side of the results viewer.

The main content area shows a table of lab results. The table has three columns: 'Date', 'Description / Category', and 'Facility / Provider'. The data is as follows:

| Date | Description / Category | Facility / Provider |
|------------------|-------------------------------|---|

3 Using the Buttons

Once within your patient's health records use the buttons to view labs, radiology, transcription, or imaging reports. Each button displayed is based on the type of reports available for each patient. Click the laboratory button to view the patient's most recent lab results. Within the window click the report you wish to view to instantaneously load the patient's results on the right-hand side of the screen. Follow these same steps to view additional reports within the other buttons.

The screenshot shows the CRISP Health Records interface for a patient named Testpatient, Medium. The navigation bar includes options like HOME, PDMP, PATIENT SNAPSHOT, DELEGATOR DASHBOARD, PROMPT, and HEALTH RECORDS. The patient's information is displayed at the top, including gender (Male), birth date (05 Jul 1982), and EID (79680235). The RESULTS VIEWER section shows a date range of All Dates and a Print button. Below this, there are three buttons: Laboratory, Radiology, and Transcriptions. The Laboratory button is highlighted with a red circle and the number 3. The main content area is divided into two sections: a search and list view on the left, and an Observation table on the right. The Observation table lists various lab results with columns for Reported, Name, Value / Ref. Range, Interpretation, and Status.

| Reported | Name | Value / Ref. Range | Interpretation | Status |
|------------------|------------------------|---------------------------|-------------------|--------|
