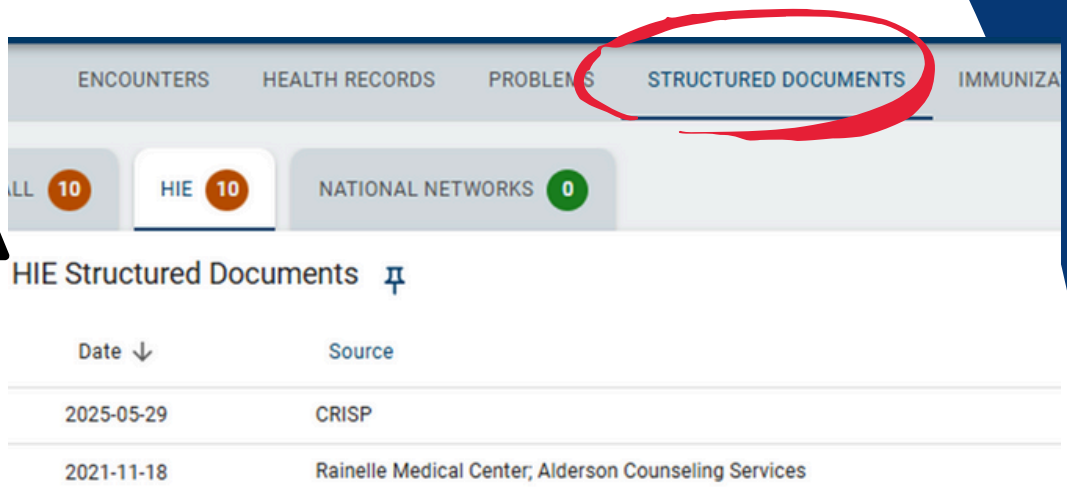
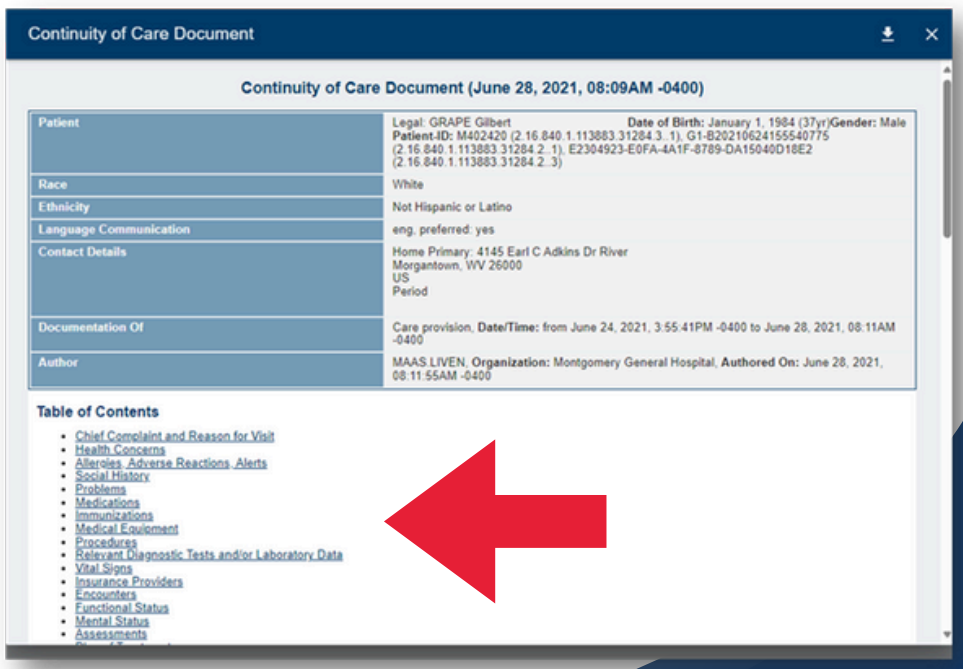
Helpful tips from the WVHIN

Structured Documents

The Structured Documents tab offers users Continuity of Care Documents (CCDs), providing a plethora of information about the patient.



- **Access Continuity of Care Documents (CCDs) from the WVHIN via the HIE subtab**
- **CCDs from the National Networks can be found in the next sub tab**
- **The documents contain a table of contents for easier navigation of the document itself**



Visit **https://wvhin.org/providers/** for a list of WVHIN participants who are sending CCDs.
